

Replacing The Battery

DO NOT dispose of batteries in fire. Batteries should be recycled or disposed of as per your local guidelines.

Replace the lid ensuring the silicone insert is not damaged and the screws go through the holes correctly. DO NOT overtighten the screws.

Hereby, Ultimate sports Engineering Ltd declares that this Proximity tag is in compliance with Directive 2014/53/EU and Directive 2011/65/EU. The full text of the EU declaration of conformity is available at the following internet address.
