Dual phone and GoPro® stand ideal for iPhone/smartphone live broadcasts on Periscope, Facebook Live, Meerkat, and other broadcasting platforms.

Arkon's RoadVise™ universal holder fits all phones weighing up to 2 pounds and measuring up to 4" wide with large or ruggedized cases.

Compatible with all models of the GoPro® HERO® action camera, including the GoPro HERO4 Session, HERO4, HERO3+, HERO3, HERO2, and HERO. GoPro® and HERO® are trademarks or registered trademarks of Woodman Labs, Inc. in the United States and other countries. Arkon Resources, Inc. is not affiliated with Woodman Labs.

Use Stand with GoPro and Smartphone:

Adjusting Weighted Base:

Adjust the height and angle of the mount by loosening the adjustment ring and the adjustment knob. Retighten to set.

Disconnecting Shaft:

Disconnect the shaft from the plate sliding the Dual T-Tabs of adapter from the Dual T-Slots of the plate.

Inserting Phone:

Using two hands, insert phone into the holder by pushing the device into one of the spring-loaded legs. Expand the other leg and fully insert device until it lays flat against the blue rubber pad.

Connecting GoPro:

Place adjustment ring over the ball adapter and snap on the GoPro HERO connection adapter. Unscrew lateral screw, then insert GoPro camera. Tighten lateral screw to secure. Loosen adjustment ring to adjust position. Retighten to set.

Safety Precautions

Arkon is not responsible for any damages caused to your devices or yourself due to the installation or use of this tablet stand.
