

# EXTEND YOUR DAY WITH A T-SHADE

## PRODUCT DESCRIPTION

Add valuable shade and rain protection to your T-Top or Hard Top and extend your day on the water. Our T-Shade mounts easily to the boat's T-Top with adjustable straps or Hard Top with suction cups and is supported by two fully adjustable 7/8" anodized aluminum poles that mount in the aft rod holders.

Stretchable WeatherMAX™ 3D canvas creates a secure, customized fit and is available in three sizes to accommodate the desired amount of coverage. To determine size, measure from aft of T-Top frame to aft of seat(s) you wish to cover.
