

3' VHF ANTENNAS

3 dB GAIN

200 SERIES: 222-VW | 222-VB

A low profile and economic solution, our 3' VHF antenna offers an efficient 3dB gain for dependable communication. Simple push and twist quick-disconnect antenna mast allows for easy storage when using a boat cover or fishing. The 200 Series is a great choice for T-Tops, speedboats and sailboats providing a broader signal in rough seas or during "heeling".

200 Series: 222-VW | 222-VB

Mount: Stainless steel L-bracket for side mounting.

Connector: UHF female (SO239).

Cable: Not included – use Digital Antenna's PowerMax™ Cable.

3' VHF Antennas Feature:

- Durable stainless steel antenna mast.
- Quick antenna mast disconnect.
- Completely sealed coil base.
