

WAKE

Engineered for the Ultimate Sound Experience.

Infinity's all new marine source unit, the INFR3000, is engineered to withstand sun, salt, UV, and intense thunderstorms. If you're looking to invest in reliable audio, invest in a radio that doesn't require a 12V Master's degree to understand. The Infinity audio brand has stood the test of time and we are proud to launch this INFR3000 as the opener of the all new WAKE series.

Features

- ▶ 4X55W peak @ 4 Ω
- ▶ 2 ohm stable
- ▶ BT5.0
- ▶ USB input
- ▶ Aux input
- ▶ Pre-outs (L&R)
- ▶ Backlit rotary encoder
- ▶ Backlit power button
- ▶ IPX7 (Face)
IPX3 (Rear)
- ▶ Rear amp plug

Features and Benefits

Tuner

Understanding the need to listen to the ballgame, talk radio, or your favorite radio pop station, this source unit was thoughtfully engineered to master AM, FM and WB

2 Ohm Stability

If you're looking to add additional speakers, such as 4 hardtop speakers to your existing 4 interior speakers, the R3000's 2 ohm stability will allow you to do just that. And no need to purchase an additional amplifier to do so!

BT5.0

While lesser stereos integrate older BT technology, the INFR3000 incorporates BT5.0. BT5 allows two boaters to connect at the same time, allowing multiple users to take turns playing tunes. BT5 also transfers data faster and has a greater range than BT4.2

USB Input

With USB input, play your favorite mp3 and wma tracks via a USB drive. In addition, this port can also be used to charge your smartphone, which means not missing an important phone call or your tunes!

Pre-outs

With a set of pre-outs (L&R), expandability is on your horizon. Add an amp or a subwoofer for additional performance.

Reliability Testing

The R3000 undergoes a testing process that leaves the competition in its wake. From sun to salt to thunderstorms to overturned soda, we test so that you enjoy your music all day.

Infinity=Ready for Adventure

Infinity marine source units are ready to accompany you on life's great adventures, whether it's on your UTV, boat, golf cart, hot tub, or motorcycle.
