

KM60 COAXIAL SPEAKERS

DESIGNED FOR
OUTDOORS.
LED-INFUSED

The Sound and Look You Want

- Designed specifically for audio in the outdoors with weather-proof qualities that meet or exceed industry standards
- Made for the simplest of speaker installations, it's a breeze to get live-quality, full-range audio for the outdoors
- Spectacular highs and midrange sounds
- Fun LED lighting mounted under the tweeters to make your system shine

Handles the Weather

- UV treatments on injection-molded cones, Santoprene® surrounds, baskets and grilles help maintain top-shelf performance
- Made to endure with splash-and-spray-resisting sealed motors and cones
- Speaker hardware is developed from rustproof, 316L stainless-steel
