

MUSTANG SURVIVAL / 4-ONE SOLAS LIFE JACKET

MV8040 [ADULT], MV8035 [CHILD] / 4-ONE SOLAS LIFE JACKET

The FIRST and ONLY life jacket to have earned five regulatory approvals in one compact design. After several years of extensive design and testing, Mustang Survival is proud to announce the 4-ONE SOLAS Life Jacket. Approved to USCG SOLAS, TC SOLAS, MED SOLAS, INTERNATIONAL SOLAS, USCG Type I standards, the 4-ONE eases both the hassle and financial burden associated with compliance to a variety of vessel regulations. This product meets the Canadian Life Jacket standard 65-GP-14M without an attached light.

Available in two sizes to fit both adults and children, the design scores highly on compact storage, easy donning and in-water performance.

FEATURES

- Compact storage
- Accessory tab with SOLAS approved whistle, and attachment point for personal light (light not included)
- Buoyant buddy line
