

Navi light 360° S 2NM

041	Navi light 360° S 2NM	7090017580612
-----	-----------------------	---------------

The new **Navisafe suction mount light “Navi light 360° S 2NM”** combines two successful Navisafe products into one – the Navi light 360° 2 NM and the Bendable Suction mount.

The Navi light 360° S 2NM is the ready to go Navigation light solution to be securely mounted on any kind of smooth and flat surfaces. The quick release suction cup releases with just one push of the lever so it can be stored quickly or mounted to another place or boat. Furthermore the suction cup can be used to hold a GoPro® camera (Hero / 2 / 3) when no light is needed – the mount is fully compatible!

Technical Specifications:

- USCG Approval, 2 Nautical Miles
- 5 Modes: 360° All-round light, 225° Masthead light, 135° Sternlight, Flashing light, Anchoring light, Cabin light
- Floatable , waterproof (20 m) and air-tight
- includes suction mount, 2 self-adhering mounting plates to securely attach the light on abrasive surfaces
- suction mount compatible with GoPro® camera (Hero / 2 / 3)
