Navilight All-round white RB 2NM

The **Navilight All-round white RB 2NM – US Coast Guard approved** for 2 nautical miles is the most versatile light of Navisafes range of battery operated portable navigation lights and includes a 360° All-round light, 225° Masthead light, 135° Sternlight, Flashing light, Anchoring light and a Cabin light. It is battery operated, uses super bright LED light, is water proof, floats and is fully compatible with the RAILBLAZA StarPort Mounting system. RAILBLAZA is a New Zealand based supplier of one of the most versatile and EASY-TO-USE Mounting systems for boats, ATVs, RVs or trailer. The base of the Navi light has the form of a star and will fit directly in many Anchor Winches and Winches as well as to specially designed mountings, such as the **Navisafe RAILBLAZA Sideport**, the **Navisafe RAILBLAZA Starport** and the **Navisafe RAILBLAZA RailMount**.
