

INLET

Our lightest, most portable, and most affordable boat yet, this kayak was built for fun and spontaneity.

BEACH LT

The Beach is great for day trips, picnics, and casual fun with family and friends.

HAVEN

The world's first origami tandem kayak. The Haven also converts to a single-seater high performance kayak.

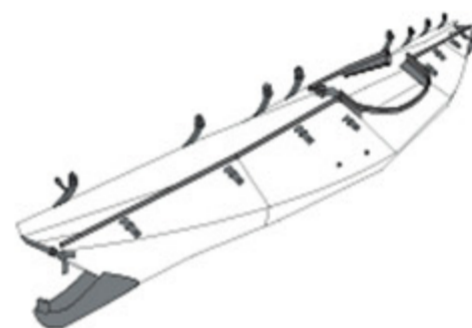

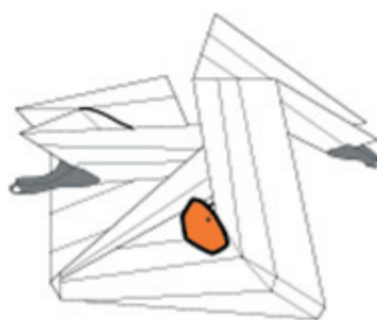

BAY ST

Faster setup and more comfortable for long days. Great for fishing, sailboats and backcountry trips.

COAST XT

The new standard for spontaneous adventures. Designed for rugged expeditions in surf and wind.

Looking for dependable kayaking products? Rely on ORU Kayak for quality and long-lasting products.
