

# LASH-IT™ and ZING-IT™

PRODUCT CODE: 811

---

*Lash-It! yields the highest strength, lightest weight, lowest stretch, and longest wear life available. The Samthane coating adds to the twine's wear life, ensures its knot-holding capability, and gives it a distinctive gray or yellow color.*

## APPLICATIONS

---

- > Accessory or Rope Tool

## FEATURES AND BENEFITS

---

- > Abrasion resistant
- > Lightweight
- > Low stretch
- > Low friction, slides well
- > High strength-to-weight ratio
- > Low stretch
- > Samthane coated

*Zing-It! offers extremely high strength while Samthane urethane coating provides excellent abrasion resistance and an easy gliding surface. The exceptional low stretch allows for control, and Zing-It! is conveniently packaged to achieve higher throws with lighter weight.*
