

# SHOCKWAVE

MARINE SUSPENSION SEATING

## S5 | MARINE SUSPENSION MODULE

SW-05026

SW-05026-BW

The **SHOCKWAVE S5** fits on virtually any boat and seat, allowing boats of any size or design to benefit from suspension seating on the water. With the S5, boaters can feel confident in a range of sea states. You'll find there is reduced impact on the body allowing you to travel farther with less physical fatigue.

Check out the collection of boat seating & accessories we offer.
