

**MARINE ACCESSORIES CATALOG // 2021**

**PROUDLY SERVING THE MARINE INDUSTRY FOR 45 YEARS**

## Fellow boaters, fishermen, & industry partners,

welcome to our 2021 boating accessories catalog. Last year unfortunately caused major impacts on the recreational boating industry. It was a good year for retail boat sales, online aftermarket accessory sales, and fishing tackle sales, but unfortunately, it was a tough year for boat builders and brick & mortar boating and fishing accessory stores.

We are hoping 2021 will be a recovery year for the boat builders, accessory suppliers, and the economy in general. The pandemic has motivated people to rethink how they spend their time, and data shows that a large number of first time boat buyers entered the market, that were younger and more diverse than ever.

Thankfully, boating is a fun, outdoor, socially-distanced activity for family and friends. Our industry of boating is all about family and fun, and we love being a part of it! We are looking forward to a great 2021 and we are thankful to all of our devoted customers and fans.

We appreciate your interest in this catalog and thank you for allowing T-H Marine to be a part of your success and fun, both in the factory, and on the water. Be sure to check out our ever-growing website for new products, as we have more coming your way!

Sincerely,  
Jeff Huntley  
President & CEO
