

STRIKER BASE GUNNEL MOUNT

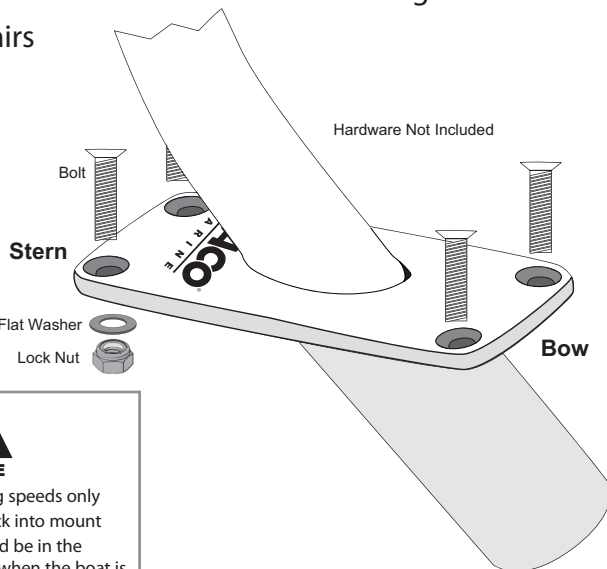

Taco Marine Striker Bases are the strongest flush mount bases on the market today and feature a patented hex nut locking mechanism that allows multiple fishing positions.

FEATURES & BENEFITS

- Polished Stainless Steel Type 316
- Unique Hex nut locking design offers multiple fishing positions
- Ambidextrous 45° arm ideal for trolling from gunnel
- Two different base sizes to choose from
- Removable arm allows for unobstructed gunnel
- Sold in Pairs

Patent #5,921,196

NOTE

- For use at trolling speeds only
- Arm does not lock into mount
- Outriggers should be in the vertical position when the boat is operating at running speeds
