

ROD & REEL HANGER RACKS

Organize and secure Rod and Reel combos with TACO Marine's new rod hanger rack. TACO Marine now offers its best-selling rod hangers, featuring polished Stainless Steel Type-316L finish and snap lock rod tip holder, as convenient easy-mount racks. Each rack features pre-drilled recessed mounting holes and smooth beveled edges for a finished look.

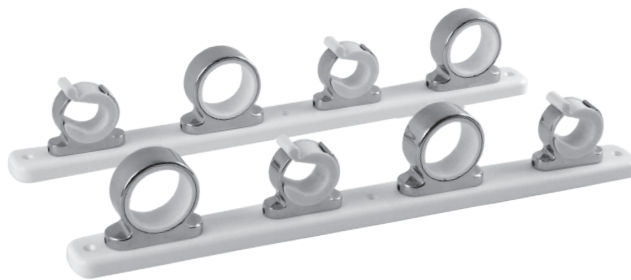

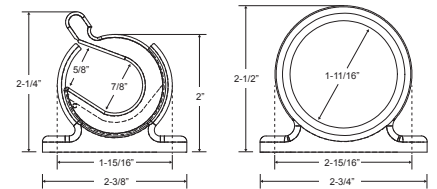

TACO Marine offers three sizes for convenient 2-, 3- and 4-rod storage. With versatile mounting options, these great hanger racks can be mounted vertically or horizontally, and are ideal for use on bridge overheads, under gunnels or in rod lockers.
