

## LED TUBE LIGHT

A tube light with a generous 14' wiring cable. The bright white and low glare red light is ideal for chart-reading. The long lasting low draw won't drain the boat's battery and it's impervious to water spray, wash-downs and pounding wake.

### FEATURES & BENEFITS

- 108 LEDs
- Available with either White – Red or White – Blue
- 300 Lumens white light / 150 Lumens color light
