

T-GREASER

Solvent free, Antibacterial, heavy duty degreaser

As with all of Trac's products, T-Greaser® has been formulated to be safe, non-toxic, non-corrosive and 100% biodegradable. This powerful, multipurpose, butyl-free cleaner/degreaser contains the latest developments in natural-extracts, alkaline builders, emulsifiers, and cleaning boosters.

Spray it on and watch the toughest stains dissolve right before your eyes. Because T-Greaser® contains only natural ingredients; it leaves a natural clean smell, while remaining safe for the environment. It really works!

Advantages

- **The Environment first!!** 100% biodegradable. Breaks down within hours, not years! Non-toxic to humans or aquatic organisms.
- **Effective!!** T-Greaser® has been designed to work within a wide temperature range (60°F-180°F), and can be diluted up to 200 times!
- **A safer degreaser!! DOES NOT** contain any petroleum products, phosphates, chlorinated solvents or toxic butyl cello solve. **T-Greaser® contains no known pollutants.**
- **Food-safe!!** Approved by NSF. Gras substance pursuant to 21CFR 184,1769 for food and corrosion preventative
- **Free rinsing!!** T-Greaser® leaves no residue.
- **Long lasting!!** Keeps working long after other products are saturated.
- **Versatile!!** Rapid removal of oils, greases, grime, soap scum, mildew stains, sludge bottoms, fats, synthetic lubes, preservative coatings, rubber tire marks, inks, pigments, & much more!
