MEASURE
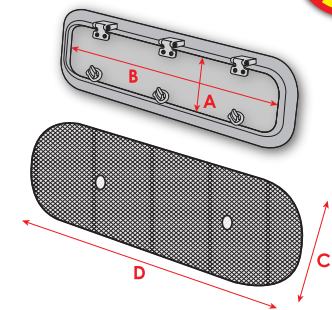

A x B   max. 200 x 650 mm (7¾" x 25½")
C x D   300 x 700 mm (12" x 27")

A universal sized mosquito net that fits all brands of hatches and portlights. Mounts from the inside with a suction cup or magnet. The mosquito net should be larger than the "cut out" size to cover the hatch opening. It will also fit different shapes: rectangular, square and round hatches and portlights. A few products cover all sizes of standard hatches / portlights. The mosquito net should be larger than the "cut out" size to cover the hatch opening. All mosquito net come with suction cup, magnet and a storage bag.

MAGNET MOUNTING

The new way to fasten a mosquito net or a blind on a hatch / portlight. A small metal plate is mounted on the hatch with 3M doublesided tape. The magnet can easily be mounted to the metal plate.

- Pop up = 5 sec. mounting
- Fast mounting with suction cup or magnet
- Fits all brands of hatches
- Mounts from the inside
- Works on flushed hatches
- Dence net – keeps out mosquitoes, sand flies, No-See-Ums, gnats, wasps etc.
